

LA FAMIGLIA

CALIFORNIA PINOT GRIGIO 2010

• WINE SOURCING •

Grapes for our wine were harvested from Northern California's Lake County vineyards, where warm days ripen the full fruit flavors in the grapes, while cool nights preserve the grape's crisp acidity.

Appellation: 100% Lake County

• WINEMAKING •

After harvest, the grapes were gently pressed and fermented for over a week at cool temperatures in stainless steel to preserve the grape's delicate fruit flavors. The wine displays a refined mid-palate with bright citrus notes and complexity to the wine's crisp finish.

Varietal blend: 90% Pinot Grigio, 10% Sauvignon Blanc

• SOMMELIER NOTES •

Pale straw-yellow in color, the nose hints of rose petals and lemon zest. Refreshing citrus flavors unfold on the palate, with a crisp, harmonious finish. Perfect for before meal sipping, our California Pinot Grigio makes an easy transition to the table and is versatile with a wide array of dishes. From salads and appetizers to grilled fish, poultry, cheese and fruit platters, and herbed pasta dishes--it is a lovely addition to any meal.
