2006 Torre di Ciardo

Listed among Italy's Finest Values

88 POINTS

"The 2006 Torre di Ciardo is quite open and expressive for a 2006. Dark red fruit, flowers and spices take on attractive dimensions on the classy, restrained finish. This is very fairly priced for a wine with some age on it.

Torre di Ciardo is 70% Sangiovese, 20% Canaiolo and 10% Merlot.

Anticipated maturity: 2011-2016.
